

Create Your Own Rockin' Rover!

Pick any two shapes:

(use these shapes or make up your own!)

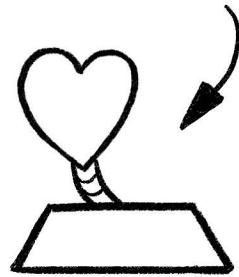

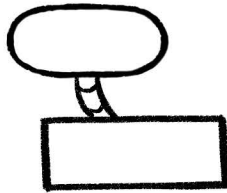

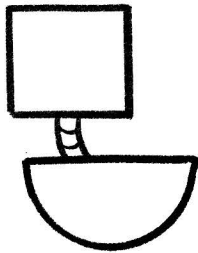

Use one shape for your rover's head

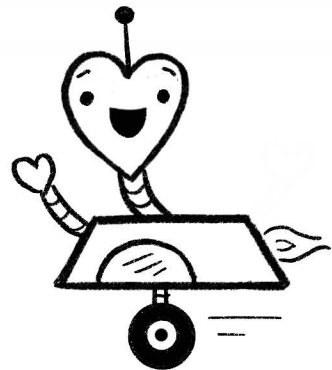

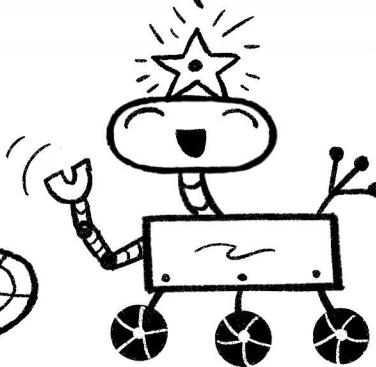

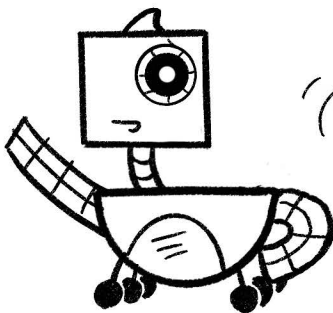

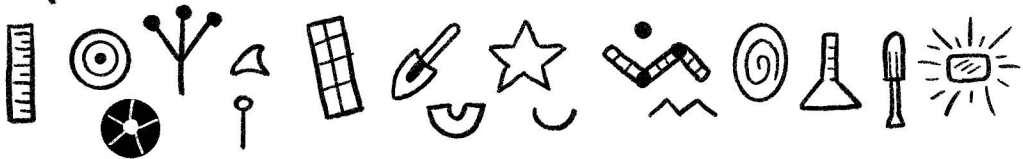

And one shape for your rover's body

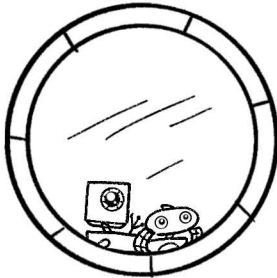

Connect the head and body with a neck:

Then add eyes, wheels, antennas, tools or anything your rover needs to explore!

SPACE TRAVEL FUN PACK!

for those long hours between galaxies.

Find a partner and don't show them this page. Then ask them to give examples of the words under the blanks (name, noun, etc.) Write on a separate paper so you can play again!
